

Report on the Nationwide Quiz Competition - College Level

(World Health Day Celebration)

Event Overview: The Nationwide Quiz Competition, organized by the Indian Association of Preventive and Social Medicine (IAPSM) at the college level, was conducted as part of the World Health Day celebrations. This year's theme, "*Healthy Beginnings, Hopeful Futures*", emphasized the importance of starting healthy and working toward a brighter, healthier future for all. The event brought together students from across the college to participate in an exciting and competitive quiz.

Elimination Round: The first phase of the competition was the *Elimination Round*, held on **2nd April**. This round consisted of a 30-minute test featuring 30 multiple-choice questions (MCQs), where participants answered individually. Though students registered as teams of three members, they completed the quiz individually. The top 4 teams with the highest aggregate scores from this round were selected to move forward to the final round.

Structure of the Elimination Round:

- **Date:** 2nd April
- **Duration:** 30 minutes
- **Format:** 30 multiple-choice questions (MCQs)
- **Total Teams Participating:** 39 teams
- **Participants in Elimination Round:** 117 students

Final Round: The final round of the competition was held on **7th April** in the Lecture Hall 3, where the top 4 teams went head-to-head for the championship.

Top 4 Teams Qualifying for the Final Round:

Team 1: Naman Pujeri, Labanya S, Siddhi S

Team 2: Harshiv Kapoor, Mohit Gopal Khadke, Madhushree

Team 3: Aparna, Anjali, Vaishnavi K

Team 4: Baijayanta Sanyal, Mitesh Desarda, Aniket Kumar

The final round took place in front of a captivated audience, with the Vice Principal, **Dr. Sharada Metgud**, attending the event and showing support for the participants. The teams competed in a series of challenging questions (4 rounds). The quiz was designed to test their knowledge, quick thinking, and teamwork under pressure.

Audience Engagement: To keep the atmosphere engaging, the audience was invited to participate by raising their hands and attempting to answer some of the questions. This added an interactive element to the event.

Prize Distribution: Following the quiz, the **Vice Principal, Dr. Sharada Metgud**, took the stage to distribute the prizes. Her presence at the prize distribution ceremony added a formal

touch to the event, and she encouraged the participants to continue their journey of learning and excellence.

State-Level Participation: It was also announced that the **winners of the final round** would represent the college at the *state-level quiz competition*.
